## Confirmation of the successfully completed initial assessment

Dear Sir or Madam,

The initial assessment of your company

**BRIGH SUD S.A.R.L.**  
**20240 NOUASSEUR CASABLANCA**

has been finished with a positive result.

I am glad to tell you that the verification of your quality insurance system according to the products - named in the document 'application details' – compared to Kraftfahrt-Bundesamt is fulfilled.

In case no type approval is granted within 1 year after the initial assessment was finished successfully, the initial assessment has to be repeated.

If applications for approval of products of a different kind are submitted it will be necessary to expand the existing initial assessment.

We hope for a good cooperation. If you have questions, do not hesitate to contact us.

With best regards

(Nina Sonnabend)
